

PENNY HARVEST 2014

November 3 - December 12

P.S. 41 will be participating in the Penny Harvest program this year. All of the money "harvested" by the students in our school is given to the Student Council to allocate funds to local organizations and student groups taking action to improve the community.

Student Council Representatives each week will collect the pennies (or nickels, dimes, quarters, dollars or checks (*made out to "Common Cents"*) donated by each class. Our goal is to collect 20 sacks.

We can make a difference!

Your pennies, when gathered with others, can have a meaningful impact on the needs of our communities.

EVERY PENNY COUNTS

Thanks So Much For Your Help!

For any questions, please call Mary Bow - Parent Coordinator (718)423-8333 / (347)563-4368
