

We invite everyone at PS 41 to participate in the international

# Walk to School Day!

Pledge to leave the car at home on Wednesday, October 7, and join your fellow students and parents as we walk to help the Earth AND ourselves. Just think:

If 300 families drive just ONE MILE less than usual that day, we'll save 15 or 20 gallons of gas—in just one day right here at PS 41! That's good for the planet, and it's good for our wallets too.

For every mile driven, a typical car puts 423 grams of carbon dioxide into the atmosphere. Our 300 families can keep almost 280 POUNDS of harmful CO<sub>2</sub> out of the air!

Walking a mile burns around 50 calories—an extra bonus!

Any questions? Email [roseannah@verizon.net](mailto:roseannah@verizon.net), or call Mary Bow (347) 563-4368

## I Pledge to Help the Earth on “Walk to School” Day!

**Bring this pledge form with you on Wednesday morning** and hand it to one of our Walk to School Day volunteers. Volunteers will be outside the school from 7:30 am to 8:15 am. Everyone gets an Earth sticker, and the class with the most pledges will win a prize!

STUDENT'S NAME: \_\_\_\_\_ CLASS: \_\_\_\_\_

- I will leave the car home and walk to school.
- I will take the bus to school.
- I live too far to walk the whole way, but I will park the car at least 4 blocks from school and walk from there.

**PARENTS:** We need your help to make this day a success.

- I will help my child participate in Walk to School Day by leaving the car home (or at least 4 blocks from school).

PARENT'S NAME: \_\_\_\_\_

More information about Walk to School Day can be found at [walkbiketoschool.org](http://walkbiketoschool.org)
