PARENT & CHILD ART WORKSHOPS 2015 - 2016

October 30, 2015

Dear Parents,

I am pleased to inform you that P.S. 41 has attained a Boost grant which will allow us to offer a variety of parent & child art workshops! Workshops are FREE to attend!

Parents will be invited to select from the list below. We can accommodate 25 children and their parents at each workshop. If we have the room, you may be able to attend more than one workshop. Please read the descriptions below and select the one(s) that you would like to attend. You will be enrolled on a first-come, first-served basis. When we receive your responses we will send you communication telling you if you have been enrolled or not. *Refreshments will be provided!*

Most workshops are offered to Grades K through 5 and will last from 7:00-8:30 PM. All are on Tuesday nights.
