# CALLING ALL DADS!

## Clay Builders Workshop

Thursday, April 21, 2016

7:00 - 8:30 PM

(downstairs in the cold lunchroom)

We want to invite all Dads (or other caregivers) and their child for a fun-filled evening of art & laughter. Mrs. Cilla (our art teacher) and Mary Bow (our parent coordinator) will be on hand to help everyone as they build and design clay creatures. Creations will still be wet when they go home so be sure to wear old clothes and get ready to get your hands dirty!

Please return the tear-off below . First 25 families will be accepted.  
For any questions, please call Mary Bow (718)423-8333 / (347)563-4368.
